Permit No. QC1522

**PERMIT TO RECEIVE PRUNUS BUDSTICKS FROM THE CLEAN PLANT CENTER
NORTHWEST (PROSSER, WA) TO FRESNO COUNTY, CALIFORNIA**

Under authority of Title 3, California Code of Regulations (CCR), Section 3154 (Secretary May Issue Special Permits), permission is granted to the following:

Robert Gaarde, Owner/Operator
Pangea Cultivar Management
723 E. Locust Ave., Suite 119
Fresno, CA 92720

to receive 20 budsticks of *Prunus spp.* for propagation, that would otherwise be prohibited by CCR, 3060.2 Nursery Standard of Cleanliness, under the following conditions:

1. This permit authorizes the movement of 20 budsticks of *Prunus spp.* from:

Dr. Scott Harper
Clean Plant Center Northwest (CPCNW)
24106 N. Bunn Rd.
Prosser, WA 99350

to

Pangea Cultivar Management
4688 N Lake Ave.
Kerman, CA 93630

2. Under the supervision of Dr. Scott Harper, plant cuttings selected for shipment shall have been propagated from apparently healthy and pest free budwood that has undergone CPCNW protocols for distributing clean plant material.
3. Propagation for commercial distribution is not allowed under this permit.
4. Prior to shipment, unrooted plant cuttings shall be packaged/enclosed in secure, watertight packaging.
5. The budsticks shall be grafted to certified rootstock, planted and grown in a field located at 4688 N. Lake Avenue, Kerman, CA 93630. Access to field shall be restricted to authorized personnel only.
6. Upon arrival at the Kerman facility, budsticks shall be stored in a locked refrigerator until ready for grafting.

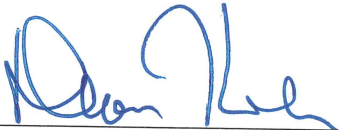

7. **All** packaging materials in contact with unrooted plant cuttings must be sufficiently heat or chemically treated to destroy all contaminants **prior** to disposal.
8. The facility and approved growing location is subject to unscheduled inspections by CDFA during normal operating hours. The permittee shall have all appropriate permits, documents and records available upon request.
9. No movement or distribution of plants, other than as specified in this permit, shall occur without written authorization from this office.
10. The permittee shall notify the Fresno County Agricultural Commissioner upon arrival of all shipments at (559) 600-7510.
11. A copy of the valid QC Permit must accompany each shipment of approved budsticks, either inside or outside the package (California Food and Agricultural Code, Section 6305).

Violation of any of the conditions of this permit, or the detection of any serious live plant pest in any shipment authorized by this permit, shall be sufficient cause for immediate revocation of this permit and destruction of the Prunus material, or return of the Prunus material to origin at the expense of the shipper.

Unless earlier revoked, this permit is valid until January 31, 2021.

Sincerely,

Dean Kelch, Ph.D.
